

Vessel Insurance DOCUMENTATION REQUIREMENTS

Soverel Harbour Marina

Soverel Harbour Marina requires a standard Certificate of Insurance (COI), reporting a minimum of **\$500,000** vessel liability insurance coverage with **Soverel Harbour Marina named as Additionally Insured**. Policies must include a Waiver of Subrogation in favor of the Additional Insured for all policies.

Should there be **Included or Additional** coverages for Captain, Crew, Mate, or Staff, have those coverages stated on the COI, so that we are aware and can allow access for covered parties.

Any mention of a Contract limitation or requirement on your COI may result in additional documentation requirements.
